Policy inclusions and choices

Single Trip or Annual Multi-Trip

You can choose a policy to cover one Single Trip or, if You are a frequent traveller, rather than buying a Single Trip policy each time You travel, You may want to buy an Annual Multi-Trip policy.

With Our Annual Multi-Trip policy You can select from the available choices, a Journey duration to suit Your needs and be covered for an unlimited number of Journeys up to the maximum Journey duration chosen.

For Your Journey to be covered by the Annual Multi-Trip policy, Your destination must be more than 250 kilometres from Home or, if less than that, Your trip must include at least one night paid accommodation booked with an accommodation supplier or provider (including a hotel, Bed & Breakfast (B&B), serviced apartment or peer to peer service such as Airbnb).

Areas of travel

We need You to tell Us Your destination(s). Select from the list of countries and areas when You get a quote. Where You travel will influence Your premium.

Guide to entering/selecting Your destination

Where are You travelling to?

- Enter or select every country You will be travelling to wherever possible.
- For each country You select, cover for travel to all other countries within that region is also included regardless of whether the countries are selected or not.

Stopping over somewhere?

- If You are stopping in a country for less than 72 hours, You do not need to enter or select that country.

What to do if You do not know every single country You will be travelling to

- If You are not sure of all Your destinations, select a region instead – cover then applies for travel to all countries within that region. You can also select Worldwide.

What about a cruise?

- **From a port in Australia to another port or ports in Australia without any stopover at a port outside of Australia** (e.g. a ‘Sampler Cruise’, a cruise from Sydney to Brisbane) - these cruises go outside of Australian Coastal Waters – Please choose or enter “Domestic Cruising” for an International policy
- **Overseas** (e.g. a European river cruise, Caribbean cruise or a cruise from Hong Kong to Sydney) **or from a port in Australia to another port or ports outside Australia** (e.g. Sydney/Singapore) – Please choose or enter the main area or destination/country based on where You will spend the most time on Your trip for an International policy.

Choose Your excess

When travelling internationally You can choose the excess. The higher the excess chosen, the lower the premium. The excess will be shown on Your Certificate of Insurance and only applies in the event of a claim.

When You make a claim arising from the one event, an excess (if applicable) will only be applied once. See page 1. Excess on page 43 for more information.

Special excess

In addition to Your chosen excess, a special excess will apply to:

- SECTION 7: Additional expenses if You are diagnosed with COVID-19 on Your trip: Basic, Comprehensive, Premium – \$250.
- SECTION 13: Amendment or cancellation costs if You or Your travelling companion are diagnosed with COVID-19 on Your trip: Basic, Comprehensive, Premium – \$500.

If Your claim is under both sections, the higher special excess will be deducted. The special excess applies in addition to any other excess. You cannot remove this special excess.

What that means is, for example, if You chose a \$250 excess, and claim for Additional accommodation costs and cancellation costs because You were diagnosed with COVID-19 on Your overseas trip, We would deduct an excess of \$750 in total from Your claim. (\$250 excess + \$500 special excess).

Cancellation cover

The plans do not automatically include cancellation cover however, You can add the amount of cancellation cover that suits You.

Select an amount from the options available at the time of applying for cover.

The level of cancellation cover You choose will influence Your premium. Typically people look to choose an amount that will cover all prepaid travel tickets, hotels, tours or other travel related expenses for all travellers on the policy.

The level of cover You choose will be shown on Your Certificate of Insurance and will be the total amount of cover available under SECTION 13: Amendment or cancellation costs, on a per policy basis.

Cancellation cover and COVID-19 benefits

For claims related to COVID-19 sub-limits and a special excess may apply, and cover is not available on all plans. Please see SECTION 28: COVID-19 Benefits pages 74-81 for details.

Extending Your Journey

If You are travelling and wish to be insured for longer than the original period shown on Your original Certificate of Insurance, You need to purchase a new policy by calling or emailing Your travel consultant or Cover-More prior to the expiry date. It is not an extension of the previous policy. Your Certificate of Insurance will be adjusted with the new dates. Please note:

- Should a medical condition present itself before the new policy is issued, it may be considered an Existing Medical Condition under a new policy. Therefore, it may not be covered by the new policy. Purchasing a longer duration up front may avoid this risk. Restrictions on the duration of the new policy may apply. For example, the maximum overall period for Worldwide cover is 12 months in total.
- If You can't return Home on Your original date due to an unforeseeable circumstance outside Your control, the policy will automatically extend - See policy condition 9 Free extension of insurance on page 46 for details.

Cooling-off period

You can cancel or change Your policy at any time before You leave Home. If You cancel this policy for any reason within the cooling-off period which is within 21 days of the date of purchase, We will give You Your money back.

Our cooling-off period ensures a refund of the entire premium unless You have already made a claim under the policy or departed on Your Journey.

If You wish to cancel Your policy and receive a full refund, please contact the providing entity within the cooling-off period.

Options to vary cover

Existing Medical Conditions and Pregnancy

See Travel and health on pages 20-29.

Self-Skippered Boat insurance excess cover

Available only on Comprehensive and Premium Plans

You can buy optional cover for Your liability in respect to a Self-Skippered Boat insurance excess.

Up to \$3,500 of cover per policy may be added by paying an extra premium.

Cover starts from the time the extra premium is paid.

Luggage and personal effects

It is Your responsibility to provide Us with evidence to support Your claim for an item. This is 'proof of ownership'.

- We will accept the original or a copy of a purchase receipt, invoice and/or bank statement showing the purchase, the date of the purchase and the amount paid.
- We may consider valuation certificates (issued prior to the Relevant Time), ATM receipts and warranty cards with accompanying bank statement of purchases.
- We will not accept photographs, packaging or instruction manuals as proof of ownership.

Safety of Your belongings and limits to the cover

- Don't check in Your Valuables - keep them with You as they're not covered by Us when checked-in with the transport provider (unless security regulations meant You were forced to check them in).
- Items left Unattended in any motor vehicle (for example, a car, campervan or motorhome) or towed land vehicle during daylight hours are not covered, unless they are stored in the Concealed Storage Compartment of the locked motor vehicle or towed land vehicle and forced entry was gained. A limit of \$500 per item and a maximum of \$2,000 in total applies.
- Don't leave items Unattended in ANY motor vehicle or towed land vehicle overnight, as they're not covered.

- Don't walk away from or leave Your belongings Unattended in a Public Place. They're not covered by Us.
- Report any loss or theft to the police within 7 days of when You first become aware of the incident, as a police report is required so We can validate that the incident occurred. Also, Your belongings may have been handed in and may be recovered or the police may have a chance to follow up an alleged crime.
- Additionally, We require the relevant report from the related party. For example, an Airline Property Irregularity Report (PIR) is also required if Your items were lost or stolen when travelling with an airline.
- If You are unable to provide Us with a copy of the relevant report, You must provide Us with a reasonable explanation and details of the time and place You made the report, including their contact details.

Increase luggage item limits

You can increase an item's limit by specifying the item on Your policy and paying an extra premium.

Receipts or valuations (less than 24 months old) must be available if requested by Us.

Motorcycle/moped riding

Claims involving participation by You (during the Journey) in motorcycling or moped riding for any purpose are specifically excluded from this policy.

Travel and health

Do You have an Existing Medical Condition?

Claims which in any way relate to, or are exacerbated by, an Existing Medical Condition or related new infections are specifically excluded from this policy unless Your Existing Medical Condition is approved by Us.

What does this mean?

If You have an Existing Medical Condition and for example take medication to keep that condition in check, it doesn't mean You can't purchase travel insurance.

It does however, mean that You should tell Us about all Your Existing Medical Conditions including anything for which medication is prescribed so We can complete an online health assessment and, if We approve, offer You cover.

If You choose to declare some conditions and not others or choose not to declare any conditions, You run the risk of a claim being denied. See Existing Medical Conditions for more information.

Assessing Your health

So We can assess the risk, We may also require You to answer some questions about Your general health as well as completing an online health assessment at the time of applying for this travel insurance.

Existing Medical Conditions

(Of You or Your travelling companion)

Cover for claims which in any way relate to, or are exacerbated by, an Existing Medical Condition or related new infections are specifically excluded from this policy. However, We may separately provide cover for an Existing Medical Condition. If such cover is applied for and approved, an extra premium may apply.

What is an Existing Medical Condition?

“Existing Medical Condition” means a disease, illness, medical or dental condition or physical defect that, at the Relevant Time, meets any one of the following:

- a) Has required an emergency department visit, hospitalisation or day surgery procedure within the last 12 months.
- b) Requires:
 - (i) prescription medication from a qualified medical practitioner;
 - (ii) regular review or check-ups;
 - (iii) ongoing medication for treatment or risk factor control; or

(iv) consultation with a specialist.

- c) Has:
 - (i) been medically documented involving the brain, circulatory system, heart, kidneys, liver, respiratory system or cancer; or
 - (ii) required surgery involving the abdomen, back, brain, joints or spine that required at least an overnight stay in hospital.
- d) Is:
 - (i) chronic or ongoing (whether chronic or otherwise) and medically documented;
 - (ii) under investigation;
 - (iii) pending diagnosis; or
 - (iv) pending test results.

“Relevant Time” in respect of:

- a) Single Trip policies means the time of issue of the policy.
- b) Annual Multi-Trip policies means the first time at which any part of the relevant trip is paid for or the time at which the policy is issued, whichever occurs last.

If You are unsure whether You have an Existing Medical Condition, please contact Cover-More. See page 3 for contact details.

Getting cover for Your Existing Medical Conditions

There are three categories of Existing Medical Conditions:

- Conditions which cannot be covered
- Conditions We automatically include
- Conditions We need to assess.

Please review each of the categories to determine which category applies.

Existing Medical Conditions which cannot be covered

This policy does not provide cover for claims which in any way relate to, or are exacerbated by:

- conditions involving drug or alcohol dependency;
- travel booked or undertaken against the advice of any medical practitioner;
- routine or cosmetic medical or dental treatment or surgery during the Journey, even if Your Existing Medical Condition has been approved;
- conditions for which You are travelling to seek advice, treatment or review or to participate in a clinical trial.

Medical conditions that are undiagnosed or awaiting specialist opinion

We are unable to offer cover for medical conditions You were aware of, or a person in Your circumstances reasonably should have been aware of, or arising from signs or symptoms* that You were aware of or a person in Your circumstances reasonably should have been aware of, at or before the Relevant Time, and for which at that time:

- You had not yet sought a medical opinion regarding the cause;
- You were currently under investigation to define a diagnosis; or
- You were awaiting specialist opinion.

You will still be eligible for the other benefits provided by the policy but You may not apply for cover for any Existing Medical Conditions. There will be no cover for claims which in any way relate to, or are exacerbated by, any Existing Medical Condition or any condition where the points listed above apply.

If You receive a diagnosis before You depart on Your Journey, You may be able to complete a health assessment and, if approved, add Existing Medical Condition cover to Your policy by paying Us the required premium.

*Examples of signs or symptoms include, but are not limited to, chest pain, shortness of breath, pain or discomfort in any part of Your body, persistent cough or unexplained bleeding.

Existing Medical Conditions We need to assess

If Your condition:

- does not meet the criteria above;
- You have one or more conditions which are not listed in the table of conditions We automatically include; or
- a combination of both the above points

You will need to complete an online health assessment by declaring all Your Existing Medical Conditions to Us.

To be clear, the conditions We automatically include only apply if You do not have other Existing Medical Conditions beyond those on this list.

Conditions to pay particular attention to

Chronic lung conditions

If You have a chronic lung condition*, unless You complete a health assessment for that condition at the Relevant Time which is then approved by Us and You pay the required extra premium, You won't be covered for claims which in any way relate to or are exacerbated by:

- that condition;
- a respiratory infection e.g. Influenza; or
- a lung infection e.g. Pneumonia.

*Chronic lung condition includes Chronic Asthma, Chronic Bronchitis, Chronic Obstructive Pulmonary Disease (COPD), Emphysema or Pulmonary Fibrosis.

What does this mean?

For example, if You have COPD and are diagnosed with a respiratory infection, Your claim will not be covered because We consider the respiratory infection to complicate and be a complication of the underlying Existing Medical Condition, COPD.

Cardiovascular Disease

If You have a condition involving Your heart and blood vessels, collectively known as Cardiovascular Disease*, unless You complete a health assessment for that condition at the Relevant Time which is then approved by Us and You pay the required extra premium, You won't be covered for claims which in any way relate to or are exacerbated by:

- that condition; or
- another heart/cardiovascular system problem including a Heart Attack or Stroke.

*Cardiovascular Disease includes Aneurysms, Angina, Cardiac Arrhythmias (disturbances in heart rhythm) Cardiomyopathy, Cerebrovascular Accident (CVA or Stroke), previous heart surgery (including valve replacements, bypass surgery or stents), Myocardial Infarction (Heart Attack) or Transient Ischaemic Attack (TIA).

What does this mean?

For example, if You have ever been diagnosed with Coronary Artery Disease, also known as Ischaemic Heart Disease (IHD), it is considered a life-long condition. The risk of disease is elevated whether or not You have been treated with bypass surgery or coronary artery stent insertion. If You haven't told Us about Your condition, We haven't approved it and You haven't paid the additional premium, We won't be able to consider Your claim if something goes wrong before or during Your Journey with respect to these conditions.

Reduced immunity

If You have reduced immunity at the Relevant Time (e.g. as the result of a medical condition or medical treatment), unless You complete a health assessment which is then approved by Us and You pay the required extra premium, We won't be able to approve claims which in any way relate to, or are exacerbated by, the underlying medical condition or a new infection.

What does this mean?

For example, if You currently suffer from a condition that is associated with significant immunosuppression or You require medication that significantly impairs immune function (e.g. Methotrexate, Azathioprine or high dose steroids), You should tell Us about Your condition, otherwise We won't be able to cover Your claim if You develop an opportunistic infection with respect to these conditions.

What happens if I have an Existing Medical Condition but do not take steps to cover it under my travel insurance policy?

We will not pay any claims which in any way relate to, or are exacerbated by, Your Existing Medical Condition if:

- You do not apply for this cover for Your Existing Medical Conditions at the Relevant Time or, at the latest, before You depart on Your Journey;
- You apply for this cover for Your Existing Medical Conditions and We do not agree to provide cover; or
- We agree to provide cover for Your Existing Medical Condition and You do not pay the required extra premium.

This means, for example, that You will have to pay for an overseas medical emergency which can be very expensive in some countries.

If You have any questions about Existing Medical Conditions, please contact Cover-More. Please see page 3 for contact details.

How to complete a health assessment

- You can complete an online health assessment with Your Travel Associates Consultant or by using a web link Your consultant can give You. You may also contact Cover-More for assistance.
- You'll need to have sufficient knowledge about each Existing Medical Condition to be able to complete a full declaration so We can assess the risk.
For example, We need to know the name of the medical condition You take medication for, rather than the name of the medication. Check with Your doctor first if unsure. Check all Existing Medical Conditions have been disclosed to Us. Telling Us about all Your Existing Medical Conditions is important. If You leave off any Existing Medical Condition it may jeopardise the outcome of Your claim if You need to make one.
- We will provide Your assessment outcome and a number.
- If We can approve Your health assessment, You must pay an extra premium to add cover for Your Existing Medical Conditions to the policy.
- An approval number for this cover will then be listed on the Certificate of Insurance We give You.

Special conditions, limits and excesses may apply depending on Your Existing Medical Condition, age, trip destination and duration. This will be stated on Your Certificate of Insurance or separately advised to You in writing.

Pregnancy

Our policy provides limited cover for pregnancy.

If You know You are pregnant at the Relevant Time, You will need to apply for cover if:

- there have been complications with this pregnancy or a previous pregnancy;
- You have a multiple pregnancy e.g. twins or triplets; or
- the conception was medically assisted e.g. using assisted fertility treatment including hormone therapies or IVF.

“Relevant Time” in respect of:

- a) Single Trip policies means the time when the policy is issued.
- b) Annual Multi-Trip policies, means the first time when a part of the relevant trip is paid for or the time when the policy is issued, whichever occurs last.

Please complete additional questions in an online medical assessment in order to determine eligibility and obtain a quote. If You have any questions about the online assessment or prefer to talk with a customer service agent, please contact Cover-More. Please see page 3 for contact details.

Pregnancy restrictions

Whether or not You have to apply for pregnancy cover, the following restrictions apply to claims arising in any way from the pregnancy of any person.

- Cover is only provided for serious, unexpected pregnancy complications that occur up until the 24th week of pregnancy i.e. up to 23 weeks, 6 days. Gestational age is measured in weeks and days and is calculated from the last known date of Your menstrual period or calculated from staging ultrasound.
- Childbirth is not covered.
- Costs relating to the health or care of a newborn child are not covered, irrespective of the stage of pregnancy when the child is born.

What does this mean?

Expectant mothers should consider if Our products are right for them when travelling after 20 weeks gestation as costs for childbirth and neonatal care overseas can be expensive.

Health of other people impacting Your travel (non-traveller)

This policy has cover if You need to change Your trip due to the health of a Relative or Your business partner who is not travelling. In some circumstances the maximum We will pay is \$1,000.

What is covered?

We will pay for claims arising from the sudden disabling injury, sickness or disease or death of a Relative or Your business partner who is not travelling if, at the Relevant Time, that person:

- a) in the last 12 months, had not been hospitalised (including day surgery or emergency department attendance) for a condition that was in any way related to, or exacerbated by, the condition that gave rise to the claim;
- b) was not residing in a facility such as a nursing home, an aged care facility, a residential aged care home, a high and/or low care facility, a privately owned accommodation facility such as Supported Residential Services or Facilities (SRS/SRF) or, a residential care facility);
- c) was residing independently at home or in a retirement home or village, including independent living arrangements, and they did not require home care or flexible care services;
- d) was not on a waiting list for, or did not know they needed surgery, inpatient treatment or tests at a hospital or clinic;
- e) did not have a drug or alcohol addiction; and
- f) did not have a Terminal Illness.

What are the restrictions and limits?

If any point a-f cannot be met e.g. if Your non-travelling Relative was in a nursing home or did have a Terminal Illness, the maximum We will pay is \$1,000 under all sections of the policy combined.

- For Your reference, **“Relative”** means a person who is Your spouse, de facto; parent, parent-in-law, stepparent, guardian; grandparent; child, foster child, grandchild; brother, brother-in-law, half-brother, stepbrother, sister, sister-in-law, half-sister, stepsister; daughter, daughter-in-law, stepdaughter, son, son-in-law, stepson; fiancé, fiancée; uncle, aunt; or niece, nephew.

What isn't covered?

No payment will be made under this policy for:

- Claims related to non-travellers who aren't a Relative or Your business partner.
- Claims where You are aware of a circumstance which is likely to give rise to a claim.
- Claims which in any way relate to circumstances You knew of, or a person in Your circumstances would have reasonably known or foreseen, at the Relevant Time, that could lead to the Journey being delayed, abandoned or cancelled.

For example:

- Jim's father was hospitalised after a serious accident. After hearing the bad news, Jim cancelled his upcoming trip and received a 50% refund. He then bought a travel insurance policy so he could claim the rest of the money back. When Jim bought the policy, he had already cancelled the trip so his claim would not be covered.
- Khalida's mother had been unwell for several months and was booked to have medical tests. Khalida organised a holiday and travel insurance. Unfortunately, the test results showed her mother had a serious sickness so Khalida cancelled her holiday to spend time with her mother. Because her mother was having tests after being unwell when Khalida bought her policy, her claim would not be covered as she knew at that time, or a person in her circumstances would have reasonably known or foreseen, that she may need to cancel her trip due to her mother's health.

Duty to take reasonable care not to make a misrepresentation

This is a consumer insurance contract under the Insurance Contracts Act 1984 (Cth) (Act).

Under the Act, You have a duty to take reasonable care not to make a misrepresentation to Us.

This duty applies whenever You enter into, renew, extend or vary this contract of insurance. In all cases, We will ask You questions that are relevant to Our decision to insure You and on what terms.

It is important that You understand You are answering Our questions in this way for Yourself and anyone else that You want to be covered by the contract.

When You answer the questions You must give a true and accurate account of matters. Your response should tell Us everything that You know about the question because Your response is relevant to whether We offer You insurance and the terms We offer You.

A misrepresentation made fraudulently is made in breach of the duty to take reasonable care not to make a misrepresentation.

Circumstances relevant to Your duty

Whether or not You took reasonable care not to make a misrepresentation will be determined with regard to all the relevant circumstances.

If We know, or ought to know about Your particular characteristics or circumstances, We will consider these to determine if You took reasonable care not to make a misrepresentation to Us.

We may consider the following matters to determine if You took reasonable care not to make a misrepresentation to Us:

- the type of consumer insurance contract in question, and its target market;
- explanatory material or publicity produced or authorised by Us;
- how clear, and how specific, the questions We asked were;
- how clearly We communicated to You the importance of answering those questions and the possible consequences of failing to do so;
- whether or not an agent/insurance broker was acting for You; or
- whether the contract was a new contract or was being renewed, extended, varied or reinstated.

You are not to be taken to have made a misrepresentation merely because You:

- failed to answer a question; or
- gave an obviously incomplete or irrelevant answer to a question.

Consequences if You fail to take reasonable care and do make a misrepresentation

If You do not take reasonable care when answering Our questions and the result is You do make a misrepresentation to Us, We may cancel Your contract or reduce the amount We will pay You if You make a claim, or both.

If Your failure to take reasonable care not to make a misrepresentation to Us is fraudulent, We may refuse to pay a claim and treat the contract as if it never existed.

When and how benefits are provided

The benefits for which You are insured under this policy are payable:

- when an insured event occurs during the Period of Insurance causing You to suffer loss or damage or incur legal liability; and
- Your claim is accepted by Us.

After calculating the amount payable We will either:

- pay for specified Additional expenses;
- pay the person to whom You are legally liable;
- pay the cash value, repair cost or arrange replacement of Your personal items (after deducting reasonable depreciation where applicable); or
- pay You.

The amount You pay for this insurance

You can obtain a quote from the providing entity. The amount We charge You for this insurance policy is the total amount of the premium that We calculate to cover the risk and any relevant government charges (such as Goods and Services Tax (GST) and stamp duty). These amounts add up to the total amount You must pay.

Once the policy is issued Your total premium and any relevant government charges are shown on the Certificate of Insurance. If You wish to change Your policy in any way please contact us.

How various factors affect the Amount Payable

We consider a number of factors in calculating the total Amount Payable. The following is a guide on these key factors, how they combine and how they may impact the assessment of risk and therefore Your premium.

- **Area** – higher risk areas cost more.
- **Departure date and trip duration** – the longer the period until You depart and the longer Your trip duration, the higher the cost may be.
- **Age** – higher risk age groups cost more.
- **Excess** – the higher the excess the lower the cost.
- **Cancellation cover** – on some policies You can choose Your own level of cancellation cover. The more cancellation cover You require, the higher the cost may be.

- **Adding cover for Existing Medical Conditions and pregnancy** (where available) – additional premium may apply if a medical assessment is completed and cover is accepted by Us.
- **Extra cover options** (where available) – additional premium may apply.

How a claim settlement is calculated

When We pay a claim We consider a number of aspects in calculating the settlement. These include:

- the amount of loss or damage or liability;
- the excess;
- the maximum benefit limits and sub-limits;
- reasonable depreciation; and
- the terms and conditions of the policy.

The following example illustrates how We will calculate claim settlement:

- Your new video camera with an original purchase price of \$4,000 is stolen from a hotel room.
- Your excess is \$100.

The claim settlement following the claim would be calculated as follows:

- Consider the original purchase price of the video camera – \$4,000 (no depreciation applies because the video camera was new).
- Consider the maximum benefit limit for Luggage and personal effects on the Premium Plan – \$12,000.
- Consider the maximum item limit payable for cameras and video equipment on the Premium Plan – \$4,000.
- Consider the excess. As the excess is \$100, \$100 will be deducted. This results in a claim settlement of \$3,900 or We may replace the item. Our choice will have regard to the circumstances of Your claim and consider any preference You may have.

Policy wording

The benefits described in this policy wording should be read in conjunction with Policy inclusions and choices (pages 12-19), Options to vary cover (pages 17-19), Travel and health (pages 20-31), Duty to take reasonable care not to make a misrepresentation (pages 34-35), Words with special meaning (pages 38-42), Policy conditions (pages 43-47) and General exclusions (pages 82-85).

THE POLICY IS NOT VALID UNLESS THE CERTIFICATE OF INSURANCE IS ISSUED TO YOU.

We will give You the insurance cover described in this policy in return for receiving the total Amount Payable.

It is a condition of the policy that:

- You are not aware of any circumstance which is likely to give rise to a claim;
- You are a resident of Australia with a valid Australian Medicare card or currently living in Australia with a visa allowing You to live, work or study in Australia and will be returning Home at the completion of the Period of Insurance; and
- If You purchase the Annual Multi-Trip policy:
 - cover will only extend to a Journey
 - to a destination more than 250 kilometres away from Your Home; or
 - that includes at least one night paid accommodation booked with an accommodation supplier or provider (including a hotel, Bed & Breakfast (B&B), serviced apartment or peer to peer service such as Airbnb); and
 - the length of each Journey cannot exceed the maximum duration shown on Your Certificate of Insurance.

Policy conditions

1. Excess

The excess is the first amount of a claim that We will not pay for. It is deducted from Your claim if it is approved by Us. The excess applies per event i.e. If You fall over and need medical treatment, and smashed Your smart phone in the fall, the excess will be deducted once.

Claim example: You have a \$250 excess on Your policy. If You made a claim for \$2,500 under SECTION 1: Overseas Medical and Dental (including emergency repatriation/evacuation), You already paid the expenses and We approve Your claim, We would deduct the \$250 excess from the claim before We paid You. If, via Our emergency assistance team, We approved a claim directly with an overseas medical provider, We may ask You to pay the \$250 excess directly to the provider at the time or request You to pay it to Us before We can finalise Your claim with the provider. In any event, the total claim We pay is \$2,250.

The excess, if applicable, applies to any claim arising from a separate event in respect of Sections 1.1-1.3, 7, 8, 12, 13, 15 and 16 only of this policy.

An additional or higher excess may apply in certain circumstances.

Special excess

In addition to Your chosen excess, a special excess will apply to:

- SECTION 7: Additional expenses if You are diagnosed with COVID-19 on Your trip: Basic, Comprehensive, Premium – \$250.
- SECTION 13: Amendment or cancellation costs if You or Your travelling companion are diagnosed with COVID-19 on Your trip: Basic, Comprehensive, Premium – \$500.

If Your claim is under both sections, the higher special excess will be deducted. The special excess applies in addition to any other excess. You cannot remove this special excess.

What that means is, for example, if You chose a \$250 excess, and claim for Additional accommodation costs and cancellation costs because You were diagnosed with COVID-19 on Your overseas trip, We would deduct an excess of \$750 in total from Your claim. (\$250 excess + \$500 special excess).

2. Limits of liability

Depreciation takes into account the amount paid originally for the item, its age, wear and tear and advances in technology.

We will reduce the value of the items because of age, wear and tear, and advances in technology according to the table following:

Age of item and depreciation that applies	Items

More than 36 months	0%	60%	60%

Our payment will not exceed the original purchase price of This means depreciation will not be deducted from items less than 2 years old at the time of loss. Items greater than 2 years old will have the percentage amount shown above deducted.
